The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Rabun County Bank, Clayton, Georgia, (“Bank”), under section 3(q) of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “STIPULATION AND CONSENT TO THE ISSUANCE OF A CONSENT ORDER” (“CONSENT AGREEMENT”), dated the 24th day of January, 2012, that is accepted by the FDIC and the Georgia Department of Banking and Finance (“Department”). The Department may issue an order pursuant to Section 7-1-91 of the Official Code of Georgia Annotated, GA Code Ann. Section 7-1-91 (1985). With the CONSENT AGREEMENT, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weakness in asset quality, management, earnings, capital or liquidity, to the issuance of this Consent Order (“ORDER”) by the FDIC and the Department (collectively, the “Supervisory Authorities”).

Having determined that the requirements for issuance of an order under section 8(b) of the Act, 12 U.S.C. § 1818(b) and Section 7-1-91 of the Official Code of Georgia Annotated have been satisfied, the FDIC and the Department hereby order that:

BOARD OF DIRECTORS

1. (a) As of the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged off, and recovered loans; investment activity; adoption or modification of operating policies; individual committee reports; audit reports; internal control reviews including management's responses; and compliance with this ORDER. Board meeting minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least four members, to oversee the Bank's compliance with this ORDER. At least three of the members of such committee shall be directors not employed in any capacity by the Bank other than as a director. The Directors' Committee shall formulate and review monthly reports detailing the Bank's actions with respect to compliance with this ORDER. The Directors' Committee shall present a report to the Board at each regularly scheduled Board meeting, and such report shall detail the Bank's adherence to this ORDER. Such report shall be recorded in the appropriate Board meeting minutes and shall be

retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) Within 90 days from the effective date of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

(i) A chief executive officer with proven ability in managing a bank of comparable size and in effectively implementing lending, investment and operating policies in accordance with safe and sound banking practices;

(ii) A senior lending officer with a significant amount of appropriate lending, collection, and loan supervision experience, and experience in upgrading a low quality loan portfolio; and

(iii) A chief financial officer with a significant amount of appropriate experience in managing the operations of a bank of similar size and complexity in accordance with sound banking practices.

(b) The qualifications of management shall be assessed on its ability to:

(i) Comply with the requirements of this ORDER;

(ii) Operate the Bank in a safe and sound manner;

(iii) Comply with applicable laws and regulations; and

(iv) Restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity and sensitivity to market risk.

(c) During the life of this ORDER, the Bank shall notify the Supervisory Authorities, in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of section 32 of the Act, 12 U.S.C. § 1831i, 12 C.F.R. §§ 303.100-303.104, and any Department requirement for prior notification and approval. If the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") issues a notice of disapproval pursuant to 12 U.S.C. § 1831i, with respect to the proposed individual, then such individual may not be added to the Board or employed by the Bank.

CAPITAL

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall have Tier 1 Capital in such amount as to equal or exceed 8 percent of its Total Assets, and shall have Total Risk-Based Capital in such an amount as to equal or exceed 10 percent of the Bank's total risk-weighted assets.

(b) During the life of this ORDER, the Bank shall maintain a Leverage Capital Ratio of at least 8 percent and a Total Risk-Based Capital Ratio of at least 10 percent as those capital ratios are defined in 12 C.F.R. § 325.

(c) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(d) If any such capital ratios are less than the percentages required by this ORDER, as determined as of the date of any Consolidated Report of Condition and Income or at an examination by the FDIC or the Department, the Bank shall, within 30 days from receipt of a written notice of the capital deficiency from the Supervisory Authorities, present to the Supervisory Authorities a plan to increase the Bank's Tier 1 Capital or to take other measures to bring all the capital ratios to the percentages required by this ORDER. After the Supervisory Authorities respond to the plan, the Board shall implement the plan, including any modifications and/or amendments requested by the Supervisory Authorities.

(e) Any increase in Tier 1 Capital necessary to meet the requirements of this ORDER may be accomplished by the following:

- (i) Sale of common stock;
- (ii) Sale of noncumulative perpetual preferred stock;
- (iii) Direct contribution of cash by the Board, shareholders, and/or parent holding company;
- (iv) Any combination of the above means; or
- (v) Any other means acceptable to the Supervisory Authorities.

(f) No increase in Tier 1 Capital that is necessary to meet the requirements of this ORDER may be accomplished through a deduction from the Bank's ALLL.

(g) If all or part of any necessary increase in Tier 1 Capital required by this ORDER is accomplished by the sale of new securities, the Board shall take all necessary steps to implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with applicable federal securities laws. Prior to the implementation of the plan and, in any event, not less than 15 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the Department and the FDIC, Division of Risk Management Supervision, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room MB-5073, Washington, D.C. 20429, for review. Any changes requested to be made in the plan or materials by the FDIC shall be made prior to the dissemination of the plan and materials. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(h) In complying with the provisions of the Capital paragraph of this ORDER, the Bank shall provide written notice of any planned or existing development, or other changes that are materially different from the information reflected in any offering materials used in

connection with the sale of Bank securities, to any subscriber and/or purchaser of the Bank's securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

CHARGE-OFF LOSS AND DOUBTFUL

4. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" in the Visitation Report dated July 25, 2011, (the "Report"), that have not been previously collected or charged-off.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the Department, eliminate from its books, by collection, charge-off, or other proper entry, the remaining balance of any asset classified "Loss" and 50 percent of those assets classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities. If an asset is classified "Doubtful", the Bank may, in the alternative, charge-off the amount that is considered uncollectible in accordance with the Bank's written analysis of loan or lease impairment. Such analysis shall be accomplished in accordance with generally accepted accounting principles, the Federal Financial Institutions Examination Council's ("FFIEC") *Instructions for Preparation of Consolidated Reports of Condition and Income (FFIEC 031 and 041)*, <http://www.ffiec.gov/>, Interagency Statements of Policy on the ALLL, and other applicable regulatory guidance that addresses the adequacy of the Bank's ALLL. Elimination of any of these assets through

proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

NO ADDITIONAL CREDIT

5. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing credit already extended to a borrower after full collection, in cash, of interest due from the borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard."

(c) The preceding limitations on additional credit shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extension of any additional credit pursuant to this paragraph, either in the form of an extension or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing that:

(i) The failure of the Bank to extend such credit would be detrimental to the best interests of the Bank, including an explanatory statement of why it would be detrimental to the Bank's best interests;

(ii) The Bank's position would be improved thereby, including an explanatory statement of how the Bank's position would be improved; and

(iii) An appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the meeting minutes of the Board or its designated committee and a copy of the signed certification shall be retained in the borrower's credit file.

(e) Any additional extensions of credit to classified borrowers made under this provision shall be reported at 90-day intervals with the other reporting requirements set forth in this ORDER. At a minimum, the 90-day reports shall include the name of the classified borrower, the amount of additional credit extended, and the total outstanding balance of credit extended to the classified borrower.

REDUCE CLASSIFIED ASSETS

6. (a) Within 60 days from the effective date of this ORDER, the Bank shall submit a written plan to the Supervisory Authorities to reduce the remaining assets classified "Doubtful" and "Substandard" in the Report or any future regulatory examination and/or visitation report. The plan shall address each asset so classified with a balance of \$250,000 or greater and provide the following:

- (i) The name under which the asset is carried on the books of the Bank;
- (ii) Type of asset;
- (iii) Actions to be taken in order to reduce the classified asset; and
- (iv) Timeframes for accomplishing the proposed actions.

(b) The plan shall also include, at a minimum:

(i) A review of the financial position of each such borrower, including the source of repayment, repayment ability, and alternate repayment sources; and

(ii) An evaluation of the available collateral for each such credit, including possible actions to improve the Bank's collateral position.

(c) In addition, the Bank's plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall require the submission of monthly progress reports to the Board and mandate a review by the Board.

(d) The Bank shall present the plan to the Supervisory Authorities for review. Within 30 days from the Supervisory Authorities' response, the plan, including any requested modifications or amendments, shall be adopted by the Board and the approval shall be recorded in the Board minutes. The Bank shall then immediately implement the plan.

(e) For purposes of the plan, the reduction of adversely classified assets as of July 25, 2011 shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's ALLL and may be accomplished by:

(i) Charge-off;

(ii) Collection;

(iii) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the Department; and/or

(iv) Increase in the Bank's Tier 1 Capital.

STRATEGIC PLAN

7. (a) Within 90 days from the effective date of this ORDER, the Bank shall prepare and submit to the Supervisory Authorities an acceptable written business/strategic plan covering

the overall operation of the Bank. At a minimum the plan shall establish objectives for the Bank's earnings performance, growth, balance sheet mix, liability structure, capital adequacy, and reduction of nonperforming and underperforming assets, together with strategies for achieving those objectives. The plan shall also identify capital, funding, managerial, and other resources needed to accomplish its objectives. Such plan shall specifically provide for the following:

(i) Goals for the composition of the loan portfolio by loan type including strategies to diversify the type and improve the quality of loans held;

(ii) Goals for the composition of the deposit base including strategies to reduce reliance on volatile and costly deposits; and

(iii) Plans for effective risk management and collection practices.

(b) The Board shall approve the business/strategic plan, which approval shall be recorded in the Board meeting minutes for the meeting at which the business/strategic plan was approved.

ASSET GROWTH

8. While this ORDER is in effect, the Bank shall notify the Supervisory Authorities at least 60 days prior to undertaking asset growth that exceeds 10 percent or more per annum or initiating material changes in asset or liability composition. In no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER unless the Bank receives prior written approval from the Supervisory Authorities.

RESTRICTIONS OF CERTAIN PAYMENTS

9. (a) While this ORDER is in effect, the Bank shall not declare or pay dividends, bonuses, or make any other form of payment outside the ordinary course of business resulting in a reduction of capital, without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend or bonus payment declaration date (or at least 5 days with respect to any request filed within the first 30 days from the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not make any distributions of interest, principal or other sums on subordinated debentures, if any, without the prior written approval of the Supervisory Authorities.

BROKERED DEPOSITS

10. Throughout the effective life of this ORDER, the Bank shall not accept, renew, or rollover any brokered deposit, as defined in 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b) which governs the solicitation and acceptance of brokered deposits by insured depository institutions. The Bank shall comply with the restrictions on the effective yields on deposits as described in 12 C.F.R. § 337.6.

LIQUIDITY AND FUNDS MANAGEMENT

11. (a) Within 60 days from the effective date of this ORDER, the Bank shall adopt and implement a written plan to improve liquidity, contingency funding, interest rate risk, and asset liability management.

(b) The plan shall incorporate the guidance contained in *Liquidity Risk Management*, FIL-84-2008 (Aug. 26, 2008). The plan shall provide restrictions on the use of brokered and internet deposits consistent with safe and sound banking practices.

(c) A copy of the plan shall be acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations. The Bank shall adopt, implement, and follow the plan, and its implementation shall be in a form and manner acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

(d) Beginning with the effective date of this ORDER, the Bank's management shall review its liquidity position to ensure that the Bank has sufficient liquid assets or sources of liquidity to meet current and anticipated liquidity needs. This review shall include an analysis of the Bank's sources and uses of funds (cash flow analysis). The results of this review shall be presented to the Board for review each month, with the review noted in the Board meeting minutes.

CONCENTRATIONS OF CREDIT

12. Within 60 days from the effective date of this ORDER, the Bank shall develop and submit to the Supervisory Authorities a written plan for systematically reducing and monitoring the commercial real estate concentrations of credit identified in the Report to an amount which is

commensurate with the Bank's business strategy, management expertise, size, and location ("Concentration Reduction Plan"). The Concentration Reduction Plan shall prohibit any advance that would increase the concentrations unless the advance is pursuant to an existing loan agreement and is otherwise permissible pursuant to this ORDER.

VIOLATIONS OF LAW, REGULATION, AND CONTRAVENTION OF POLICY

13. Within 60 days from the effective date of this ORDER, the Bank will eliminate and/or correct all violations of law and/or regulation in the Report and shall adopt and implement appropriate procedures to ensure future compliance with all such applicable federal and state laws and regulations.

PROGRESS REPORTS

14. Within 30 days from the end of the first quarter following the effective date of this ORDER, and within 30 days from the end of each quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form and manner of any actions taken to secure compliance with this ORDER and the results thereof. Such reports shall include a copy of the Bank's Consolidated Reports of Condition and of Income. Such reports may be discontinued when the corrections required by this ORDER have been accomplished and the Supervisory Authorities have released the Bank in writing from making further reports. All progress reports and other written responses to this ORDER shall be reviewed by the Board and made a part of the appropriate Board meeting minutes.

SHAREHOLDER DISCLOSURE

15. Within 10 days from the effective date of this ORDER, the Bank shall send a copy of this ORDER, or otherwise furnish a description of this ORDER, to its parent holding company. The description shall fully describe this ORDER in all material respects.

The provisions of this ORDER shall not bar, stop, or otherwise prevent the FDIC or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this ORDER shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside by the FDIC.
