The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for South Carolina Community Bank, Columbia, South Carolina (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated April 26, 2010, that is accepted by the FDIC and the Commissioner of Banking (“Commissioner”) on behalf of the State Board of Financial Institutions for the State of South Carolina (“State Board”). With the STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices and violations of law and/or regulation relating to asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the State Board.

Having determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and S.C. Code Ann. § 34-1-60 have been satisfied, the FDIC and the State Board hereby order that:

1. BOARD OF DIRECTORS

(a) Effective immediately, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 60 days from the effective date of this ORDER, the Board shall have in place a program that will provide for monitoring of the Bank's compliance with this ORDER. Following the adoption of the program, the Board shall review the Bank's compliance with this ORDER and record its review in the minutes of each regularly scheduled Board meeting. Establishment of this program does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

2. MANAGEMENT

(a) During the life of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER.

(b) Within 60 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and assessment of the Bank's management and staffing needs ("Management Plan") for the purpose of providing qualified management for the Bank. The Management Plan shall be forwarded to the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and to the Commissioner on behalf of the State Board (collectively "Supervisory Authorities") for review and comment and shall address, at a minimum, the following:

- (i) A review of each officer's performance, abilities and assignments to positions within the Bank;
- (ii) identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;
- (iii) identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;
- (iv) annual written evaluations of all Bank officers and staff members to determine whether these individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, adherence to the Bank's established policies

and practices, and restoration and maintenance of the Bank in a safe and sound condition;

(v) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and

(vi) an organizational chart.

(c) During the life of this ORDER, the Bank shall notify the Supervisory Authorities, in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, the Bank shall comply with the requirements of section 32 of the Federal Deposit Insurance Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104 and any State requirement for prior notification and approval.

3. CAPITAL

(a) While this ORDER is in effect the Bank shall achieve and maintain the following minimum capital levels as defined in Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, after establishing an adequate allowance for loan and lease losses ("ALLL"):

(i) Tier 1 Capital at least equal to eight percent (8.0%) of total assets;
and

(ii) Total Risk-Based Capital at least equal to ten percent (10.0%) of total risk-weighted assets.

(b) Thereafter during the life of this ORDER, the Bank shall maintain Tier 1 Capital in such an amount as to equal or exceed eight percent (8.0%) of the Bank's total assets; and a Total Risk-Based Capital Ratio of at least ten percent (10.0%) as described in the FDIC Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, Appendix A.

(c) Within 30 days of the last day of each calendar quarter, the Bank shall determine, from its Reports of Condition and Income, its capital ratios for that calendar quarter. If any capital measure falls below the established minimum, within 30 days of such required determination of capital ratios, the Bank shall submit a written plan to the Supervisory Authorities, describing the means and timing by which the Bank shall increase such ratios up to or in excess of the established minimums.

(d) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to paragraphs 3(a) and 3(b) shall be in addition to a fully funded ALLL, the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(e) Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 3 of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) sale of noncumulative perpetual preferred stock; or
- (iii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iv) any other means acceptable to the Supervisory Authorities; or
- (v) any combination of the above means.

Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 3 of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(f) If all or part of any necessary increase in Tier 1 Capital required by paragraph 3 of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429, and to the Commissioner of Banking, 1205 Pendleton Street, Suite 305, Columbia, S.C. 29201, for review. Any changes requested to be made in the plan or materials by the Supervisory Authorities shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(g) In complying with the provisions of paragraph 3 of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(h) For the purposes of this ORDER, the terms "Tier 1 Capital" and "total assets" shall have the meanings ascribed to them in section 325.2 FDIC Rules and Regulations, 12 C.F.R. § 325.2.

4. ALLOWANCE FOR LOAN AND LEASE LOSSES

Within 30 days from the effective date of this ORDER, the Board shall review the adequacy of the ALLL and establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the ALLL shall be

remedied in the calendar quarter it is discovered, prior to submitting the Reports of Condition and Income, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities.

5. CHARGE-OFF

(a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of those assets classified "Doubtful" in the Report of Examination dated October 5, 2009 ("Report") that have not been previously collected or charged-off. (If an asset classified "Doubtful" is a loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the loan or lease classified "Doubtful".) Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the State Board, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified "Loss" and 50 percent of the those classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities. Elimination or reduction of assets through proceeds of other loans made by the Bank is not considered collection for purposes this paragraph.

6. REDUCTION OF CLASSIFIED ASSETS

(a) Within 30 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities, for review and comment, a written plan to reduce the Bank's risk position in each asset in excess of \$100,000 which is classified "Substandard" or "Doubtful" in the Report. Within 10 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of a Board meeting. Thereafter, the Bank shall implement and follow this plan.

(b) The written plan mandated by this provision shall further require a reduction in the aggregate balance of assets classified "Substandard" and "Doubtful" in the Report in accordance with the following schedule. For purposes of this paragraph, "number of days" means number of days from the effective date of this ORDER.

(i) Within 180 days, a reduction of twenty percent (20%) in the balance of assets classified "Substandard" or "Doubtful."

(ii) Within 360 days, a reduction of forty percent (40%) in the balance of assets classified "Substandard" or "Doubtful."

(iii) Within 540 days, a reduction of sixty percent (60%) in the balance of assets classified "Substandard" or "Doubtful."

(iv) Within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified "Substandard" or "Doubtful."

(c) The requirements of this paragraph are not to be construed as standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets.

7. NO ADDITIONAL CREDIT

(a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, during the life of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard", or is listed for "Special Mention" and is uncollected.

(c) Paragraph 7(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board, or a designated committee thereof, who shall certify, in writing:

(i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;

- (ii) that the Bank's position would be improved thereby; including an explanatory statement of how the Bank's position would be improved; and
- (iii) that an appropriate workout plan has been developed and will be implemented in conjunction with the additional credit to be extended.

(d) The signed certification shall be made a part of the minutes of the Board or designated committee, and a copy of the signed certification shall be retained in the borrower's credit file.

8. CONCENTRATIONS OF CREDIT

Within 60 days from the effective date of this ORDER, the Bank shall perform a risk segmentation analysis with respect to the Concentrations of Credit discussed in the Report. Concentrations should be identified by product type, geographic distribution, underlying collateral or other asset groups, which are considered economically related and in the aggregate represent a large portion of the Bank's Tier 1 Capital. The Bank shall develop a written plan approved by its Board and acceptable to the Supervisory Authorities to systematically reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's Tier 1 Capital. At a minimum the plan must provide for written procedures for the ongoing measurement and monitoring of the concentrations of credit, and a limit on concentrations commensurate with the Bank's capital position, safe and sound banking practices, and the overall risk profile of the Bank.

9. LENDING AND COLLECTION POLICIES

(a) Within 90 days from the effective date of this ORDER, the Bank will review, revise, and adopt its written lending, underwriting and collection policy to

provide effective guidance and control over the Bank's lending function. Such policy will include, at a minimum, revisions to address criticisms and recommendations enumerated in the Report pertaining to commercial real estate (“CRE”) loans. The written policy should include specific guidelines for placing loans on nonaccrual and requirements for appraisals and evaluations consistent with outstanding regulatory guidance and the Uniform Standards of Professional Appraisal Practice. The policy shall include requirements for re-appraising and/or re-evaluating real estate pledged as collateral on an ongoing basis that take into consideration changing market conditions and economic factors; conducting ongoing analysis of participation loans sold and their requirements for servicing; conducting appropriate financial analysis and documenting the file; implementing proper loan grading systems; and establishing circumstances under which out of territory loans can be extended. In addition, the Bank will obtain adequate and current documentation for all loans in the Bank's loan portfolio. Such policy and its implementation will be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(b) Within 90 days from the effective date of this ORDER, and annually thereafter, the Board shall review the Bank’s loan policies and procedures for adequacy and, based upon this review, shall make all appropriate revisions to the policies and procedures necessary to enhance the Bank’s lending functions and ensure their implementation. As required by this paragraph, the Bank’s loan policies and procedures shall be revised to include, at a minimum, provisions that address and fully correct those criticisms found in the Report.

10. PLANS FOR EXPENSES/PROFITABILITY

(a) Within 60 days from the effective date of this ORDER, the Bank shall formulate and implement a written profit plan and a realistic, comprehensive budget for all categories of income and expense. This plan shall be forwarded to the Supervisory Authorities for review and comment and shall address, at a minimum, the following:

- (i) goals and strategies for improving and sustaining the earnings of the Bank;
- (ii) the major areas in, and means by which the Bank will seek to improve the Bank's operating performance;
- (iii) realistic and comprehensive budgets;
- (iv) a budget review process to monitor the income and expenses of the Bank to compare actual figures with budgetary projections;
- (v) the operating assumptions that form the basis for, and adequately support, major projected income and expense components; and
- (vi) coordination of the Bank's loan, investment, and operating policies and budget and profit planning with the funds management policy.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank's actual performance in relation to the plan required by this paragraph and shall record the results of the evaluation, and any actions taken by the Bank in the minutes of the Board meeting at which such evaluation is undertaken.

11. LIQUIDITY/FUNDS MANAGEMENT PLAN

Within 90 days from the effective date of this ORDER, the Bank shall adopt and implement a written plan addressing liquidity, contingent funding, and asset liability

management. A copy of the plan shall be submitted to the Supervisory Authorities upon its completion for review and comment. Within 30 days from the receipt of any comments from the Supervisory Authorities, the Bank shall incorporate those recommended changes. Thereafter, the Bank shall implement and follow the plan. Annually during the life of this ORDER, the Bank shall review this plan for adequacy and, based upon such review, shall make appropriate revisions to the plan that are necessary to strengthen funds management procedures and maintain adequate provisions to meet the Bank's liquidity needs.

12. BROKERED DEPOSITS

(a) Throughout the life of this ORDER, the Bank shall not accept, renew, or rollover any brokered deposit, as defined by 12 C.F.R. § 337.6(a)(2), unless it is in compliance with the requirements of 12 C.F.R. § 337.6(b), governing solicitation and acceptance of brokered deposits by insured depository institutions.

(b) Within 30 days of the effective date of this ORDER, the Bank shall submit a written plan for eliminating its reliance on brokered deposits to the Supervisory Authorities for review and comment. The plan shall detail the current composition of brokered deposits by maturity and explain the means by which such deposits will be paid. Within 30 days of receipt of all such comments from the Supervisory Authorities, and after consideration of all such comments, the Bank shall approve the revised plan, which approval shall be recorded in the minutes of the Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

(c) The Bank shall comply with the restrictions on the effective yields on deposits described in 12 C.F.R. § 337.6.

13. ASSET GROWTH LIMITATIONS

During the life of this ORDER, the Bank shall limit asset growth to ten percent (10.0%) per annum and in no event shall asset growth result in noncompliance with the capital maintenance provisions of this ORDER without receiving prior written approval of the Supervisory Authorities.

14. RESTRICTIONS ON CERTAIN PAYMENTS

(a) While this ORDER is in effect, the Bank shall not declare or pay dividends or bonuses without the prior written approval of the Supervisory Authorities. All requests for prior approval shall be received at least 30 days prior to the proposed dividend declaration date or bonus payment date (at least 5 days with respect to any request filed within the first 30 days after the date of this ORDER) and shall contain, but not be limited to, an analysis of the impact such dividend or bonus payment would have on the Bank's capital, income, and/or liquidity positions.

(b) During the term of this ORDER, the Bank shall not make any distributions of interest, principal or other sums on subordinated debentures, if any, without the prior written approval of the Supervisory Authorities.

15. POLICY FOR INTERNAL ROUTINE AND CONTROL

(a) Within 90 days from the effective date of this ORDER, the Bank will adopt and implement a policy for the operation of the Bank in such a manner as to provide adequate internal routine and controls within the Bank consistent with safe and sound banking practices. Such policy and its implementation will, at a minimum, eliminate and/or correct all internal routine and control deficiencies as more fully set in the Report and will be satisfactory to the Supervisory Authorities.

(b) Within 90 days from the effective date of this ORDER, the Bank will adopt and implement a comprehensive written audit program. A copy of the audit program will be submitted to the Supervisory Authorities upon its completion for review and comment. Within 30 days from the receipt of any comments from the Supervisory Authorities, the Bank will incorporate those recommended changes. The Bank will thereafter implement and enforce an effective system of internal and external audits. The internal auditor will make written monthly reports of audit findings directly to the Board. The minutes of the meetings of the Board will reflect consideration of these reports and describe any action taken as a result thereof.

16. INTERNAL LOAN REVIEW

Within 60 days from the effective date of this ORDER, the Bank will adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans, and other extensions of credit which are carried on the Bank's books as loans, on the basis of credit quality. Such system and its implementation will be satisfactory to the Supervisory Authorities as determined at their initial review and at subsequent examinations and/or visitations. At a minimum, the grading system will provide for the following:

- (a) specification of standards and criteria for assessing the credit quality of the Bank's loans;
- (b) application of loan grading standards and criteria to the Bank's loan portfolio;
- (c) categorization of the Bank's loans into groupings based on the varying degrees of credit and other risks that may be presented under the applicable grading

standards and criteria, but in no case, will a loan be assigned a rating higher than that assigned by examiners at the last examination and/or visitation of the Bank without prior written notification to the Supervisory Authorities;

(d) assessment of the likelihood that each loan exhibiting credit and other risks will not be repaid according to its terms and conditions;

(e) identification of any loan that is not in conformance with the Bank's loan policy;

(f) identification of any loan which presents any unsafe or unsound banking practice or condition or is otherwise in violation of any applicable South Carolina or Federal law, regulation, or statement of policy;

(g) requirement of a written report to be made to the Board and Audit Committee, not less than quarterly after the effective date of this ORDER. The report will identify the status of those loans that exhibit credit and other risks under the applicable grading standards/criteria and the prospects for full collection and/or strengthening of the quality of any such loans; and

(h) specific policies governing Bank charge-offs of loans and underlying collateral taken to repay loans.

17. INTEREST RATE RISK MANAGEMENT

Within 90 days from the effective date of this ORDER, the Bank shall develop and implement a written policy for managing interest rate risk in a manner that is appropriate to the size of the Bank and the complexity of its assets. The policy shall comply with the Joint Inter-Agency Policy Statement on Interest Rate Risk, shall be consistent with the comments and recommendations detailed in the Report and shall include, at a minimum,

the means by which the interest rate risk position will be monitored, the establishment of risk parameters, and provision for periodic reporting to management and the Board regarding interest rate risk with adequate information provided to assess the level of risk. Such policy and its implementation shall be satisfactory to the Supervisory Authorities.

18. VIOLATIONS OF LAW, REGULATION AND POLICY

Within 30 days from the effective date of this ORDER, the Bank shall eliminate and/or correct all violations of law and regulation and contraventions of policy, which are more fully set out in the Report. In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable laws and regulations and applicable statements of policy.

19. DISCLOSURE

Following the effective date of this ORDER, the Bank shall send to its shareholders or otherwise furnish a description of this ORDER in conjunction with the Bank's next shareholder communication and also in conjunction with its notice or proxy statement preceding the Bank's next shareholder meeting. The description shall fully describe the ORDER in all material respects. The description and any accompanying communication, statement or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and to the Commissioner of Banking, 1205 Pendleton Street, Suite 305, Columbia, S.C. 29201, at least fifteen (15) days prior to dissemination to shareholders. Any changes requested to be made by the Supervisory Authorities shall be made prior to dissemination of the description, communication, notice, or statement.

Within 30 days of the end of the first quarter following the effective date of this ORDER, and within thirty (30) days of the end of each quarter thereafter, the Bank shall furnish written progress reports to the Supervisory Authorities detailing the form, manner, and results of any actions taken to secure compliance with this ORDER. Such written reports shall provide cumulative detail of the Bank's progress toward achieving compliance with each provision of the ORDER. The progress report requirement shall continue for the life of this ORDER unless modified or terminated in writing by the Supervisory Authorities. All progress reports and other written responses to this ORDER shall be reviewed by the Board and be made a part of the minutes of the appropriate Board meeting.

The provisions of this ORDER shall not bar, estop, or otherwise prevent the FDIC, the State Board, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This ORDER shall be effective on the date of issuance.

The provisions of this ORDER shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.
