of the Federal Deposit Insurance Corporation ("**FDIC**") and the Illinois Department of Financial and Professional Regulation, Division of Banking ("**Division**"), dated July 15, 2010, whereby, solely for the purpose of this proceeding and without admitting or denying the charges of unsafe or unsound banking practices relating to Earnings, Asset Quality, Management, and Capital, the Bank consented to the issuance of a CONSENT ORDER ("**ORDER**") by the FDIC and the Division.

The FDIC and the Division considered the matter and determined to accept the STIPULATION.

Having also determined that the requirements for issuance of an order under 12 U.S.C. § 1818(b) and the SBA, 205 ILCS 205/1001 et seq., have been satisfied, the FDIC and the Division **HEREBY ORDER** that the Bank, its institution-affiliated parties, as that term is defined in section 3(u) of the Act, 12 U.S.C. § 1813(u), or in sections 1007.05 and 11005 of the SBA, 205 ILCS 205/1007.05 and 11005, and its successors and assigns, take affirmative action as follows:

- (iv) A description of the operating assumptions that form the basis for and support major projected income and expense components.

(b) Such written profit plan and any subsequent modification thereto shall be submitted to the Regional Director and the Division for review and comment. The Bank, its directors, officers, and employees shall follow the written profit plan and/or any subsequent modification.

2. (a) Within thirty (30) days after the effective date

The plan shall address each asset so classified with a balance of \$500,000 or greater and provide the following:

(c) The Bank shall present the plan to the Regional Director and the Division for review and comment.

(d) For purposes of the plan, the reduction of adversely classified assets listed in the ROE shall be detailed using quarterly targets expressed as a percentage of the Bank's Tier 1 Capital plus the Bank's Allowance for Loan and Lease Losses and may be accomplished by:

- (i) Charge-off;
- (ii) Collection;
- (iii) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the Division; or

(iv) Increase in the Bank's Tier 1 Capital.

- (iii) Sell; or
- (iv) Increase Tier 1 Capital.

(c) The Bank shall present the plan to the Regional Director and the Division for review and comment.

- (ii) Identification and establishment of such Bank committees as are needed to provide guidance and oversight to active

(c) Thereafter, to the extent such measures have not previously been initiated, the Bank shall immediately initiate measures detailed in the plan, to increase its Tier 1 Capital by an amount sufficient to bring all the Bank's capital ratios to the percentages required by this ORDER within sixty (60) days after the Regional Director and the Division respond to the plan. Should the implementation of the plan involve public distribution of Bank securities, and in addition to the requirements relating to a conversion or mutual holding company reorganization, the Bank shall prepare detailed offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and other material disclosures necessary to comply with Federal securities laws. Prior to the implementation of the plan and, in any event, not less than twenty (20) days prior to the dissemination of such materials, the materials used in the sale of the securities shall be submitted to the FDIC Registration and Disclosure Section, 550 17th Street, N.W., Washington, D.C 20429 and to Scott D. The written notice required by this paragraph shall be furnished within ten (10) calendar days of the date any material development or change was planned or occurred, whichever is earlier, and shall be furnished to every purchaser and/or subscriber of the Bank's original offering materials.

(f) In addition, the Bank shall comply with the FDIC's Statement of Policy on Risk-Based Capital found in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, App. A.

thereof. Such reports may be discontinued when the corrections required by the ORDER have been accomplished and the Regional Director and the Division have released the Bank in writing from making additional reports.
