The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for Pacific West Bank, West Linn, Oregon (“Bank”) under Section 3(q) of the Federal Deposit Insurance Act (“FDI Act”), 12 U.S.C. § 1813(q)(3). The Oregon Division of Finance and Corporate Securities (“DFCS”) is the appropriate State banking agency for the Bank under Chapter 706 of the Oregon Revised Statutes (“ORS”).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“Stipulation”), dated March 18, 2010, that is accepted by the FDIC and the DFCS. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices and violations of laws and/or regulations, to the issuance of this Consent Order (“Order”) by the FDIC and the DFCS pursuant to Section 8(b)(1) of the FDI Act and ORS § 706.580.

Having determined that the requirements for issuance of an order under Section 8(b) of the FDI Act, 12 U.S.C. § 1818(b) and ORS § 706.580(1) have been satisfied, the FDIC and the DFCS hereby order that:

1. The Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Board to implement the provisions of this Order.

(b) The qualifications of management shall be assessed on its ability to:

- (i) comply with the requirements of this Order;
- (ii) operate the Bank in a safe and sound manner;
- (iii) comply with applicable laws and regulations; and
- (iv) restore all aspects of the Bank to a safe and sound condition,

including asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) During the life of this Order, the Bank shall notify the Regional Director of the FDIC's San Francisco Regional Office ("Regional Director") and the Administrator of the Oregon Division of Finance and Corporate Securities ("Administrator") in writing when it proposes to add or replace any individual on the Board, or employ any individual to serve as a senior executive officer, or change the responsibilities of any existing senior executive officer to include the responsibilities of another senior executive officer position. The term "senior executive officer" shall have the same meaning ascribed to it in Part 303 of the FDIC's Rules

and Regulations, 12 C.F.R. § 303.101. The notification shall include a completed Interagency Biographical and Financial Report and Interagency Change in Director or Senior Executive Officer and must be received at least 30 days before the addition, employment or change of responsibilities is intended to become effective. The Regional Director and the Administrator shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director.

(d) The requirement to submit information and the prior disapproval provisions of this paragraph are based upon the authority of 12 U.S.C. § 1818(b) and do not require the Regional Director and the Administrator to complete their review and act on any such information or authority within 30 days, or any other timeframe. The Bank shall not add, employ or change the responsibilities of any proposed director or senior executive officer until such time as the Regional Director and the Administrator have completed their review.

2. Upon the effective date of this Order, the Board shall ensure appropriate participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; liquidity and funds management activities; operating policies; and individual committee actions. The Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

3. (a) Within 180 days from the effective date of this Order, the Bank shall increase and thereafter maintain its Tier 1 capital in such an amount to ensure that the Bank's leverage ratio equals or exceeds 10.0 percent.

(b) Within 180 days from the effective date of this Order, the Bank shall increase and thereafter maintain its total risk-based capital ratio in such an amount as to equal or exceed 12.0 percent.

(c) Within 60 days from the effective date of this Order, the Bank shall develop and adopt a plan to meet and maintain the capital requirements of this Order and to comply with the FDIC's Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. Part 325, Appendix A. Such plan and its implementation shall be in a form and manner acceptable to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

(d) The level of capital to be maintained during the life of this Order shall be in addition to a fully funded allowance for loan and lease losses ("ALLL") the adequacy of which shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations. Any increase in Tier 1 capital necessary to meet the requirements of this paragraph may not be accomplished through a deduction from the Bank's ALLL.

(e) If all or part of the increase in capital required by this Order is accomplished by the sale of new securities, the Board shall adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing

shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than 20 days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Registration, Disclosure and Securities Unit, 550 17th St. N.W., Washington, D.C. 20429, for review. Any changes requested by the FDIC shall be made prior to dissemination. If the increase in capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Regional Director and the Administrator for prior approval.

(f) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within 10 days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For the purposes of this Order, the terms "leverage ratio," "Tier 1 capital" and "total risk-based capital ratio" shall have, the meanings ascribed to them in Part 325 of the FDIC's Rules and Regulations, 12 C.F.R. §§ 325.2(m), 325.2(v), 325.2(y), and Appendix A.

4. The Bank shall not pay cash dividends or make any other payments or distributions to its shareholders without the prior written consent of the Regional Director and the Administrator.

5. (a) During the life of this Order, the Bank shall take all necessary actions to improve asset quality and reduce the level of adversely classified assets.

(b) Within 60 days from the effective date of this Order, the Bank shall formulate a written plan to systematically reduce the level of adversely classified assets listed in the DFCS and FDIC Joint Report of Examination dated September 15, 2009 (“ROE”) to a level of acceptable asset quality. For purposes of this provision, “reduce” means to collect, charge off, or improve the quality of an asset so as to warrant its removal from adverse classification by the Regional Director and the Administrator. In developing the plan mandated by this paragraph, the Bank shall, at a minimum, and with respect to each such adversely classified asset, review, analyze and document the financial position of the borrower, including source of repayment, repayment ability, and alternative repayment sources, as well as the value and accessibility of any pledged or assigned collateral, and any possible actions to improve the Bank’s collateral position.

(c) The plan and its implementation shall be satisfactory to the Regional Director and the Director of Banks as determined at subsequent examinations and/or visitations..

6. Within 30 days from the effective date of this Order, the Board shall develop or revise, adopt and implement a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this determination, the adequacy of the reserve shall be determined after the charge-off of all loans or other items classified “Loss.” The policy shall provide for a review of

the allowance at least once each calendar quarter. Said review shall be completed in order that the findings of the Board with respect to the ALLL are properly reported in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. A deficiency in the allowance shall be remedied in the calendar quarter it is discovered, prior to submitting the Report of Condition, by a charge to current operating earnings. The minutes of the Board meeting at which such review is undertaken shall indicate the results of the review. Upon completion of the review, the Bank shall increase and maintain its ALLL consistent with the ALLL policy established. Such policy and its implementation shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

7. (a) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" and is uncollected. This paragraph shall not prohibit the Bank from renewing or extending the maturity of any credit in accordance with the Financial Accounting Standards Board Statement Number 15 ("FASB 15").

(b) Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Doubtful" or "Substandard" without the prior approval of a majority of the Board or loan committee of the

Bank. The Board and loan committee shall not approve any extension of credit or additional credit to such borrowers without first collecting in cash all past due interest.

8. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan, approved by its Board and acceptable to the Regional Director and the Administrator for systematically reducing the amount of loans or other extensions of credit advanced, directly or indirectly, to or for the benefit of, any borrowers in the “Commercial Real Estate” Concentration, with particular emphasis on those borrowers in the Construction and Development lending area. Such plan shall be in conformance with Appendix A of Part 365 of the FDIC’s Rules and Regulations, 12 C.F.R. Part 365, Appendix A; and Financial Institution Letter (FIL)-104-2006, Commercial Real Estate Lending Joint Guidance, dated December 12, 2006.

9. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement written lending and collection policies to provide effective guidance and control over the Bank’s lending function and provide for an effective internal loan grading system or watchlist. Such policy and procedures shall address the underwriting and credit administration recommendations outlined in the ROE. Such policies and their implementation shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

10. Within 90 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written three-year strategic plan to improve the Bank’s

profitability and risk profile. The plan shall address, at a minimum, goals and strategies for improving and sustaining the earnings of the Bank, and include:

- (a) Identification of the major areas in which, and means by which, the Board will seek to improve the Bank's operating performance;
- (b) Realistic and comprehensive budgets;
- (c) A budget review process to monitor the income and expenses of the Bank to compare actual figures with budgetary projections; and
- (d) Description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components.

Such plan and its implementation shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

11. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written liquidity and funds management policy that adequately addresses liquidity needs and appropriately reduces its reliance on non-core funding sources. Such policy and its implementation shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

12. (a) During the life of this Order, the Bank shall comply with the provisions of section 337.6 of the FDIC's Rules and Regulations, 12 C.F.R. § 337.6.

(b) Within 60 days from the effective date of this Order the Bank shall submit to the Regional Director and the Administrator a written plan for eliminating its reliance on brokered deposits. The plan shall contain details as to the current composition of brokered deposits by maturity and explain the means by which such deposits will be reduced. For

purposes of this Order, brokered deposits are defined as described in section 337.6(a)(2) of the FDIC's Rules and Regulations, 12 C.F.R. § 337.6(a)(2). Such plan and its implementation shall be satisfactory to the Regional Director and the Administrator as determined at subsequent examinations and/or visitations.

13. Within 90 days from the effective date of this Order, the Bank shall eliminate and/or correct all violations of rules and regulations, as more fully set forth in the ROE. In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable rules and regulations.

14. Within 30 days of the end of the first quarter following the effective date of this Order, and within 30 days of the end of each quarter thereafter, the Bank shall furnish written progress reports to the Regional Director and the Administrator detailing the form and manner of any actions taken to secure compliance with this Order and the results thereof. Such reports may be discontinued when the corrections required by this Order have been accomplished and the Regional Director and the Administrator have released the Bank in writing from making further reports.

15. Following the effective date of this Order, the Bank shall provide a copy of the Order or otherwise furnish a description of the Order to its shareholder(s) in conjunction with:

- (a) the Bank's next shareholder communication; and
- (b) the notice or proxy statement preceding the Bank's next shareholder meeting.

The description shall fully describe the Order in all material respects. The description and any accompanying communication, statement, or notice shall be sent to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Washington, D.C. 20429, at least 20 days prior to dissemination to shareholders. Any changes requested to be made by the FDIC shall be made prior to dissemination of the description, communication, notice, or statement.

The provisions of this Order shall not bar, estop, or otherwise prevent the FDIC, the DFCS, or any other federal or state agency or department from taking any other action against the Bank or any of the Bank's current or former institution-affiliated parties.

This Order will become effective upon its issuance by the FDIC and the DFCS.

The provisions of this Order shall be binding upon the Bank, its institution-affiliated parties, and any successors and assigns thereof.

The provisions of this Order shall remain effective and enforceable except to the extent that and until such time as any provision has been modified, terminated, suspended, or set aside by the FDIC and the DFCS.
