

WASHINGTON, D.C.

(Insured State Nonmember Bank)

FDIC-06-055k

Having waived those rights, the Bank entered into a STIPULATION AND CONSENT TO THE ISSUANCE OF AN ORDER TO PAY CIVIL MONEY PENALTY ("CONSENT AGREEMENT") with a representative of the Legal Division of the FDIC, whereby solely for the purpose of this proceeding and without admitting or denying any violations, the Bank consented and agreed to pay a civil money penalty in the amount of \$5,440 related to the violations of the Flood Act

and Part 339. The FDIC has reason to believe that the Bank has violated the Flood Act and Part 339 in that:

- (a) It has made, increased, extended or renewed loans secured by a building or mobile home located or to be located in a special flood hazard area without requiring that the collateral be covered by flood insurance;
- (b) It has made, increased, extended or renewed loans secured by a building or mobile home located or to be located in a special flood hazard area without requiring that the collateral be covered by flood insurance for the term of the loan;
- (c) It has made, increased, extended or renewed loans secured by a building or mobile home located or to be located in a special flood hazard area without requiring that the collateral be covered by sufficient flood insurance;
- (d) It has made, increased extended or renewed a loan secured by a building or mobile home located or to be located in a special flood hazard area without notifying the borrower and/or the servicer whether flood insurance is available for the collateral;
- (e) It has made, increased, extended or renewed a loan secured by a building or mobile home located or to be located in a special flood hazard area without providing timely notice to the borrower and/or the servicer as to whether flood insurance is available for the collateral;
- (f) It has made, increased extended or renewed a loan secured by a building or mobile home located or to be located in a special flood hazard area and failed to retain a record of receipt of the notice that must be

provided to the borrower and/or the servicer regarding the availability of flood insurance.

which violations were cited at the FDIC's September 15, 2005 examination.

The FDIC considered the matter and determined it had reason to believe that the Bank has engaged or participated in violations of law or regulations for which a civil money penalty of \$5,440 is appropriate to be assessed against the Bank, pursuant to the Flood Act and Part 339.

After taking into account the CONSENT AGREEMENT, the appropriateness of the penalty with respect to the financial resources and good faith of Respondent, the gravity of the violation by Respondent, the history of previous violations by Respondent, and such other matters as justice may require, the FDIC accepts the CONSENT AGREEMENT and issues the following:

ORDER TO PAY

IT IS HEREBY ORDERED that the Bank be, and hereby is, assessed a civil money penalty of \$5,440 pursuant to the Flood Act and Part 339, the receipt of which is acknowledged.

This Order to Pay Civil Money Penalty shall be effective upon its issuance.

Pursuant to delegated authority.

Dated at Washington, D.C., this 5th day of July, 2006.
