The Federal Deposit Insurance Corporation ("FDIC") is the appropriate Federal banking agency for State Bank of India (California), Los Angeles, California ("Bank") under Section 3(q) of the Federal Deposit Insurance Act ("FDI Act"), 12 U.S.C. § 1813(q)(3). The California Department of Financial Institutions ("CDFI") is the appropriate State banking agency for the Bank under Division 1 and Division 1.1 of the California Financial Code ("CFC").

The Bank, by and through its duly elected and acting Board of Directors ("Board"), has executed a Stipulation to the Issuance of a Consent Order ("Stipulation"), dated March 6, 2013, that is accepted by the FDIC and the CDFI. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices relating to the June 18, 2012 Examination as detailed in the Report of Examination ("ROE"), to the issuance of this Consent Order ("Order") by the FDIC and the CDFI pursuant to Section 8(b)(1) of the FDI Act, and Section 580 of the CFC.

Having determined that the requirements for issuance of an order under Section 8(b) of

the FDI Act, 12 U.S.C. § 1818(b), and the CFC have been satisfied, the FDIC and the CDFI hereby order that:

SAFETY AND SOUNDNESS

1. The Bank shall have and retain qualified management.

(a) Each member of management shall have qualifications and experience commensurate with his or her duties and responsibilities at the Bank and shall be provided appropriate written authority from the Board to implement the provisions of this Order.

Management shall include the following:

(i) a chief executive officer with proven ability in managing a bank of comparable size and risk profile;

(ii) a chief financial officer with proven ability in all aspects of financial management;

(iii) a chief credit officer with significant lending, collection, and loan supervision experience and experience in upgrading a low quality loan portfolio;

(iv) a President/Chief Operating Officer with proven ability in managing a domestic bank of comparable size and risk profile and knowledge of domestic banking laws, regulations, and regulatory guidance; and

(v) a Bank Secrecy Act ("BSA") Officer with experience in managing a BSA program in a high-risk institution with international activity.

(b) The qualifications of management shall be assessed on its ability to:

(i) comply with the requirements of this Order;

(ii) operate the Bank in a safe and sound manner;

(iii) comply with applicable laws and regulations; and

(iv) restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, liquidity, and sensitivity to market risk.

(c) Without limiting the generality of the foregoing, the Commissioner of the CDFI (“Commissioner”) and the Regional Director of the FDIC's San Francisco Regional Office (“Regional Director”) reserve the right to determine whether the current senior officers and directors of the Bank are qualified for purposes of this Order.

(d) During the life of this Order, the Bank shall notify the Regional Director and the Commissioner in writing when it proposes to add or replace any individual on the Board, or employ any individual to serve as a senior executive officer, or change the responsibilities of any existing senior executive officer to include the responsibilities of another senior executive officer position. The term “senior executive officer” shall have the same meaning ascribed to it in Part 303 of the FDIC’s Rules and Regulations, 12 C.F.R. § 303.101. The notification shall include a completed *Interagency Biographical and Financial Report* and *Interagency Change in Director or Senior Executive Officer* and must be received at least 30 days before the addition, employment or change of responsibilities is intended to become effective. The Regional Director and the Commissioner shall have the power under the authority of this Order to disapprove the addition, employment or change of responsibilities of any proposed officer or director. The requirement to submit information and the prior disapproval provisions of this paragraph are based upon the authority of 12 U.S.C. § 1818(b) and do not require the Regional Director and the Commissioner to complete their review and act on any such information or authority within 30 days, or any other timeframe. The Bank shall not add, replace, employ or change the responsibilities of any proposed director or senior executive officer until such time as the

Regional Director and the Commissioner have completed their review.

2. Within 90 days from the effective date of this Order, the Board shall obtain an independent study of the management and personnel structure of the Bank to determine whether the Bank is staffed by qualified individuals commensurate with its size and risk profile to ensure the safe and sound operation of the Bank.

(a) The independent study shall include, at a minimum:

(i) a review of the duties, responsibilities, qualifications, and remuneration of the Bank's officers;

(ii) an evaluation of management resources; and

(iii) recommendations regarding management and staffing in the context of the Bank's strategic plan.

(b) A copy of the study shall be submitted to the Regional Director and Commissioner within 30 days of its completion.

(c) The Board shall adopt a plan to implement the recommendations of the study. The plan and its implementation shall be satisfactory to the Regional Director and Commissioner as determined at subsequent examinations and/or visitations.

3. Beginning with the effective date of this Order, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives, and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; liquidity

and funds management activities; operating policies; individual committee actions. The Board shall monitor and ensure timely and adequate progress is made in addressing the recommendations contained in the June 18, 2012 Report of Examination. The Board minutes shall document these reviews and approvals, including the names of any dissenting directors. The Board shall document all meetings of the Board and the committees of the Board, including those of its Executive Committee. The Board shall improve attendance by the members of the Board (each a "Director") at meetings of the Board and take appropriate actions toward remediating attendance issues with Directors. Each Director shall attend a minimum of 75% of the meetings of the Board annually.

4. Within 30 days from the effective date of this Order, the Bank shall eliminate from its books, by charge-off or collection, all assets classified "Loss" in the ROE that have not been previously collected or charged-off. Elimination of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this Paragraph.

5. Within 120 days from the effective date of this Order, the Bank shall have reduced adversely classified assets in the ROE that have not previously been charged off, to not more than 30 percent of the Bank's Tier 1 Capital and allowance for loan and lease losses. The requirements of this Paragraph are not to be construed as standards for future operations and, in addition to the foregoing; the Bank shall eventually reduce the total of all adversely classified assets. Reduction of these assets through proceeds of other loans made by the Bank is not considered collection for the purpose of this Paragraph. As used in this paragraph the word "reduce" means:

- (a) to collect;
- (b) to charge-off; or

(c) to sufficiently improve the quality of assets adversely classified to warrant removing any adverse classification, as determined by the FDIC and CDFI.

6. Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged-off or classified, in whole or in part, “Loss” and is uncollected. This Paragraph shall not prohibit the Bank from renewing or extending the maturity of any credit in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification 470-60, formerly known as FASB Statement Number 15.

7. Beginning with the effective date of this Order, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit has been classified “Doubtful” or “Substandard” and is uncollected, unless at least a majority of the members of the Board at a duly called meeting of the Board have voted to adopt a written resolution, which finds that the extension of the additional credit would be in the best interest of the Bank and that failure to extend the additional credit would be detrimental to the best interest of the Bank, and which includes a statement of the facts that support the findings. The resolution and statement shall be placed in the appropriate loan file and in the minutes of the meeting of the Board.

8. Within 60 days from the effective date of this Order, the Bank shall develop a written plan, approved by the Board for systematically reducing the level of nonperforming assets and/or assets listed on the Bank’s watch list to an acceptable level. The plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations. As used in this paragraph the word

“reduce” means:

- (a) to collect;
- (b) to charge-off; or
- (c) to sufficiently improve the quality of assets on the watch list to warrant

their removal from the list, as determined by the FDIC and the CDFI.

9. Within 120 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written plan addressing retention of profits, and setting forth a comprehensive budget covering the period January 2013 to December 2016.

(a) The plan shall contain formal goals, strategies and benchmarks, which are consistent with sound banking practices to improve the Bank's net interest margin, increase interest income, reduce discretionary expenses, and improve and sustain earnings of the Bank. It shall also contain a thorough description of the operating assumptions that forms the basis for, and adequately support, each major component of the plan. Such plan and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations.

(b) Following the end of each calendar quarter, the Board shall evaluate the Bank's actual performance in relation to the plan and shall record the results of the evaluation, and any actions taken by the Bank, in the minutes of the Board meeting at which such evaluation is undertaken.

10. Within 90 days from the effective date of this Order, the Bank shall develop, adopt and implement policies and procedures to address the credit administration deficiencies identified in the ROE. Further, management shall ensure that the Bank's computer system generates accurate past due reports. Such policies and procedures shall establish adequate

processes for documenting and monitoring construction progress; documenting and establishing workout strategies; ensuring accounts receivable audit findings are addressed; ensuring documentation and oversight of problem credits; and establishing and ensuring compliance with a methodology for accurately calculating Debt Service Coverage Ratios and cash flow analysis.

11. Within 60 days from the effective date of this Order, the Bank shall establish a satisfactory audit program. The audit program, at a minimum, shall provide for a comprehensive risk assessment; provide for timely completion of audits; track all audit and regulatory findings; ensure that timely and appropriate corrective actions are implemented; ensure that all audit and regulatory findings are reported to the Board; and require and ensure that the audit manager submits all audit reports to the Audit Committee of the Board (“Audit Committee”) within 30 days of receipt.

12. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a policy for the operation of the Bank in such a manner as to provide adequate internal routine and control policies consistent with safe and sound banking practices. Such policy and its implementation shall be satisfactory to the Regional Director and the Commissioner as determined at subsequent examinations and/or visitations. Such policy shall establish and implement policies and procedures for an effective certification program; ensure accurate and timely reconciliation of suspense accounts to remove stale items over 90 days old; and ensure compliance with the Bank’s vacation policy and report exceptions to policy to the Board for approval.

13. Within 60 days from the effective date of this Order, the Bank shall develop or revise, adopt, and implement a written policy governing transactions between the Bank and affiliates. Such policy and its implementation shall be satisfactory to the Regional Director and

the Commissioner as determined at subsequent examinations and/or visitations. The policy shall address the requirements of Federal Reserve Act Sections 23A and 23B and the Interagency Policy Statement on Tax Allocation in a Holding Company Structure promulgated by the FDIC, the Board of Governors of the Federal Reserve System, and the office of the Comptroller of the Currency and the Office of Thrift Supervision. The policy shall ensure that loans between affiliates and the Bank are secured in compliance with the regulation and pay interest at a market rate comparable to transactions with nonaffiliated entities.

14. Within 90 days from the effective date of this Order, the Bank shall eliminate and/or correct all violations of law, as more fully set forth in the ROE. In addition, the Bank shall take all necessary steps to ensure future compliance with all applicable laws and regulations.

15. During the life of this Order, the Bank shall file with the FDIC Reports of Condition and Income which accurately reflect the financial condition of the Bank as of the end of the period for which the reports are filed, including any adjustment in the Bank's books made necessary or appropriate as a consequence of any FDIC and/or CDFI examination of the Bank during that reporting period.

16. During the life of this Order, the Bank shall not establish any new branches or other offices of the Bank or enter into any new lines of business without the prior written consent of the Regional Director and the Commissioner.
