The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for The First State Bank, Barboursville, West Virginia, (“Bank”), under section 3(q) of the Federal Deposit Insurance Act (“Act”), 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “STIPULATION AND CONSENT TO THE ISSUANCE OF A CONSENT ORDER” (“STIPULATION”), dated November 5, 2015, that is accepted by the FDIC and the West Virginia Division of Financial Institutions (“WVDFI”) of the State of West Virginia (collectively the “Supervisory Authorities”). The WVDFI may issue an order pursuant to W. Va. Code § 31A-2-4 (2015). With the STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in capital, asset quality, management, earnings, liquidity, and sensitivity to market risk to the issuance of this CONSENT ORDER (“ORDER”) by the FDIC and the WVDFI.

Having determined that the requirements for issuance of an order under section 8(b) of the Act, 12 U.S.C. § 1818(b), and W. Va. Code § 31A-2-4 (2015) have been satisfied, the FDIC and the WVDFI hereby order that:

BOARD OF DIRECTORS

1. (a) As of the effective date of this ORDER, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged off, and recovered loans; investment activity; adoption or modification of operating policies; individual committee reports; audit reports; internal control reviews including management's responses; and compliance with this ORDER. Board meeting minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least 3 members, to oversee the Bank's compliance with this ORDER. A majority of the members of such committee shall be directors not employed in any capacity by the Bank other than as a director. The Directors' Committee shall formulate and review monthly reports detailing the Bank's actions with respect to compliance with this ORDER. The Directors' Committee shall present a report to the Board at each regularly scheduled Board meeting, and such report shall detail the Bank's adherence to this ORDER. Such report shall be recorded in the appropriate Board meeting minutes and shall be

retained in the Bank's records. Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

MANAGEMENT

2. (a) The qualifications of management shall be assessed on its ability to:

(i) Comply with the requirements of this ORDER;

(ii) Operate the Bank in a safe and sound manner;

(iii) Comply with applicable laws and regulations; and

(iv) Restore all aspects of the Bank to a safe and sound condition, including, but not limited to, asset quality, capital adequacy, earnings, management effectiveness, risk management, liquidity and sensitivity to market risk.

(b) Within 60 days from the effective date of this ORDER, the Bank shall develop and approve a written analysis and assessment of the Bank's management and staffing needs ("Management Plan") for the purpose of providing qualified management for the Bank. The Management Plan shall include, at a minimum:

(i) Identification of both the type and number of officer positions needed to properly manage and supervise the affairs of the Bank;

(ii) Identification and establishment of such Bank committees as are needed to provide guidance and oversight to active management;

(iii) Written evaluations of all senior executive officers to determine whether such individuals possess the ability, experience and other qualifications required to perform present and anticipated duties, including, but not limited to, adherence to the Bank's established policies and practices, restoration of the Bank to a safe and sound condition, and maintenance of the Bank in a safe and sound condition thereafter;

(iv) A plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and

(v) An organizational chart.

(c) The Management Plan shall be submitted to the Supervisory Authorities for review. Such Management Plan and its implementation shall be satisfactory to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

CAPITAL

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall have, and thereafter maintain during the life of this ORDER, a leverage ratio of no less than 8 percent and shall have a total capital ratio of no less than 12 percent, as those terms are defined in Part 324 of the FDIC Rules and Regulations, 12 C.F.R. Part 324.

(b) The level of tier 1 capital to be maintained during the life of this ORDER pursuant to this paragraph shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(c) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities a written capital plan. Such capital plan shall detail the steps that the Bank shall take to achieve and maintain the capital requirements set forth in this ORDER. In developing the capital plan, the Bank shall take into consideration:

- (i) The volume of the Bank's adversely classified assets;
- (ii) The nature and level of the Bank's asset concentrations;
- (iii) The adequacy of the Bank's ALLL;
- (iv) The anticipated level of retained earnings;
- (v) Anticipated and contingent liquidity needs; and
- (vi) The source and timing of additional funds to fulfill future capital needs.

(d) In addition, the capital plan must include a contingency plan in the event that the Bank has failed to:

- (i) Maintain the minimum capital ratios required by this paragraph;
- (ii) Submit an acceptable capital plan as required by this paragraph; or
- (iii) Implement or adhere to a capital plan to which the Supervisory Authorities have taken no written objection pursuant to this paragraph.

(e) The contingency plan shall include a plan to sell or merge the Bank. The Bank shall implement the contingency plan upon written notice from the Supervisory Authorities.

(f) If any such capital ratios are less than the percentages required by this ORDER, as determined as of the date of any Consolidated Reports of Condition and Income or at an examination by the FDIC or the WVDFI, the Bank shall, within 30 days from receipt of a written notice of the capital deficiency from the Supervisory Authorities, present to the Supervisory Authorities a plan to increase the Bank's tier 1 capital or to take other measures to bring all the capital ratios to the percentages required by this ORDER. After the Supervisory Authorities respond to the plan, the Board shall implement the plan, including any modifications and/or amendments requested by the Supervisory Authorities.

(g) Any increase in tier 1 capital necessary to meet the requirements of this ORDER may be accomplished by the following:

- (i) Sale of common stock;
- (ii) Sale of noncumulative perpetual preferred stock;
- (iii) Direct contribution of cash by the Board, shareholders, and/or parent holding company;
- (iv) Any combination of the above means; or
- (v) Any other means acceptable to the Supervisory Authorities.

(h) No increase in tier 1 capital that is necessary to meet the requirements of this ORDER may be accomplished through a deduction from the Bank's Allowance for Loan and Lease Losses ("ALLL"), unless the deduction conforms with Generally Accepted Accounting Principles (GAAP) and has the prior written approval of the Supervisory Authorities.

ALLOWANCE FOR LOAN AND LEASE LOSSES AND CALL REPORT

4. (a) Immediately upon the issuance of this ORDER, the Board shall make a provision to replenish the ALLL, which as of the date of the examination was underfunded as set forth in the Report of Examination dated January 12, 2015, (the "Report").

(b) Within 30 days from the effective date of this ORDER, the Bank shall review Consolidated Reports of Condition and Income filed with the FDIC on or after March 31, 2015, and shall amend said reports if necessary to accurately reflect the financial condition of the Bank as of the date of each such report. In particular, such reports shall contain an adequate ALLL. Reports filed after the effective date of this ORDER shall accurately reflect the financial condition of the Bank as of the reporting date.

(c) Within 30 days from the effective date of this ORDER, the Bank must determine the Bank's ALLL reserve adequacy using Financial Accounting Standards Board Accounting Standards Codification ("ASC") 450 (Topic 450, "Contingencies") and ASC 310-10-35 (Section 35, "Subsequent Measurement General," of Subtopic 310-10). Provisions for loan losses must be based on the inherent risk in the Bank's loan portfolio. The Bank must also adhere to the guidance set forth in the *Policy Statement on ALLL Methodologies and Documentation for Banks and Savings Institutions*, (July 2, 2001), and the *Interagency Policy Statement on the Allowance for Loan and Lease Losses*, FIL-105-2006 (Dec. 13, 2006). The Board must document and support in writing any decision to not require provisions for ALLL in the Board meeting minutes.

(d) Within 30 days from the effective date of this ORDER, the Board shall establish a comprehensive policy for determining the adequacy of the ALLL. For the purpose of this

determination, the adequacy of the ALLL shall be determined after the charge-off of all loans or other items classified "Loss". The policy shall provide for a review of the ALLL at least once each calendar quarter. Said review shall be completed in time to properly report the ALLL in the quarterly Consolidated Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions. The review should include a review of compliance with ASC 450 (Topic 450, "Contingencies") and ASC 310-10-35 (Section 35, "Subsequent Measurement General," of Subtopic 310-10). The policy shall adhere to the guidance set forth in the *Policy Statement on ALLL Methodologies and Documentation for Banks and Savings Institutions*, (July 2, 2001), and the *Interagency Policy Statement on the Allowance for Loan and Lease Losses*, FIL-105-2006 (Dec. 13, 2006). A deficiency in the ALLL shall be remedied in the calendar quarter it is discovered, prior to submitting the next Consolidated Reports of Condition and Income, by a charge to current operating earnings. The Board meeting minutes for the meeting at which such review is undertaken shall indicate the results of the review. The Bank's policy for determining the adequacy of the ALLL and its implementation shall be satisfactory to the Supervisory Authorities as determined at the initial review and at subsequent examinations and/or visitations.

(e) While this ORDER is in effect, the Bank shall not make any negative provisions to the ALLL without the prior written consent of the Supervisory Authorities.

LOAN REVIEW

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans, and other extensions of credit which are carried on the Bank's books as loans, on the basis of credit quality. Such system and its implementation shall be satisfactory to the Supervisory Authorities at the initial review of the system, and at subsequent examinations and/or visitations. At a minimum, the grading system shall provide for the following:

(i) Specification of standards and criteria for assessing the credit quality of the Bank's loans;

(ii) Application of loan grading standards and criteria to the Bank's loan portfolio;

(iii) Categorization of the Bank's loans into groupings based on the varying degrees of credit and other risks that may be presented under the applicable grading standards and criteria, but in no case will a loan be assigned a rating higher than that assigned by examiners at the last examination of the Bank without prior written notification to the Supervisory Authorities;

(iv) Assessment of the likelihood that each loan exhibiting credit and other weaknesses will not be repaid according to its terms and conditions;

(v) Identification of any loan that is not in conformance with the Bank's loan policy;

(vi) Identification of any loan which presents any unsafe or unsound banking practice or condition or is otherwise in violation of any applicable state or federal law, regulation, or statement of policy;

(vii) Requirement of a written report to be made to the Board and Audit Committee, if any, not less than quarterly after the effective date of this ORDER. The report shall identify the status of those loans that exhibit credit and other weaknesses under the applicable grading standards/criteria and the prospects for full collection and/or strengthening of the quality of any such loans; and

(viii) Specific policies governing Bank charge-offs of loans and underlying collateral taken to repay loans.

INTEREST RATE RISK POLICY

6. Within 60 days from the effective date of this ORDER, the Bank shall develop and implement a written policy for managing interest rate risk in a manner that is appropriate to the size of the Bank and the complexity of its assets. The policy shall comply with the *Joint Agency Policy Statement on Interest Rate Risk*, FIL-52-96 (July 12, 1996), and the *FFIEC Advisory on Interest Rate Management*, FIL-2-2010 (Jan. 20, 2010), and shall be consistent with the comments and recommendations detailed in the Report. The policy shall include guidelines governing the means by which the interest rate risk position will be monitored, the establishment of risk parameters, and periodic reporting to management and the Board regarding interest rate risk with adequate information provided to assess the level of risk. Such policy and its implementation shall be satisfactory to the Supervisory Authorities as determined at the initial review and at subsequent examinations and/or visitations.

BUDGET

7. (a) Within 60 days from the effective date of this ORDER, the Bank shall implement a written plan and a comprehensive budget for all categories of income and expense for the calendar year ending 2016. The plan and budget required by this paragraph shall include formal goals and strategies, consistent with sound banking practices, and take into account the Bank's other written policies in order to improve the Bank's net interest margin, reduce discretionary expenses, control overhead, and improve and sustain earnings of the Bank. The plan shall include a description of the operating assumptions that form the basis for, and adequately support, major projected income and expense components. Thereafter, the Bank shall formulate such a plan and budget by January 1 of each subsequent year and submit the plan and budget to the Supervisory Authorities for review and comment by January 15 of each subsequent year. The plan and budget required by this ORDER shall be acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

(b) On a monthly basis, the Board shall evaluate the Bank's actual performance in relation to the plan and budget required by this ORDER and shall record the results of the evaluation, and any actions taken by the Bank, in the minutes of the Board meeting at which such evaluation is undertaken. The actual performance compared to the budget shall be submitted to the Supervisory Authorities with the quarterly progress reports required by this ORDER.

CLASSIFIED ASSET REDUCTION

8. (a) Within 60 days from the effective date of this ORDER, and within 60 days from the receipt of any future regulatory examination, the Bank shall submit a written plan to the

Supervisory Authorities to reduce the remaining assets classified "Doubtful" or "Substandard" therein. The plan shall address each asset so classified with a balance of \$250,000 or greater and provide the following:

- (i) The name under which the asset is carried on the books of the Bank;
 - (ii) Type of asset;
 - (iii) Actions to be taken in order to reduce the classified asset; and
 - (iv) Timeframes for accomplishing the proposed actions.
- (b) The plan shall also include, at a minimum:
 - (i) A review of the financial position of each such borrower, including the source of repayment, repayment ability, and alternate repayment sources; and
 - (ii) An evaluation of the available collateral for each such credit, including possible actions to improve the Bank's collateral position.
- (c) In addition, the Bank's plan shall contain a schedule detailing the projected reduction of total classified assets on a quarterly basis. Further, the plan shall require the submission of monthly progress reports to the Board and mandate a review by the Board.
- (d) The Bank shall present the plan to the Supervisory Authorities for review. Within 30 days from the Supervisory Authorities' response, the plan, including any requested modifications or amendments, shall be adopted by the Board and the approval shall be recorded in the Board minutes. The Bank shall then immediately implement the plan.

(e) For purposes of the plan, the reduction of adversely classified assets as of the Report shall be detailed using quarterly targets expressed as a percentage of the Bank's tier 1 Capital plus the Bank's ALLL and may be accomplished by:

- (i) Charge-off;
- (ii) Collection;
- (iii) Sufficient improvement in the quality of adversely classified assets so as to warrant removing any adverse classification, as determined by the FDIC or the WVDFI; and/or
- (iv) Increase in the Bank's tier 1 Capital.

CHARGE-OFF LOSS AND DOUBTFUL

9. (a) Within 10 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of those assets or portions of assets classified "Doubtful" in the Report, that have not been previously collected or charged-off. If an asset is classified "Doubtful", the Bank may, in the alternative, charge-off the amount that is considered uncollectible in accordance with the Bank's written analysis of loan or lease impairment. Such analysis shall be accomplished in accordance with generally accepted accounting principles, the Federal Financial Institutions Examination Council's ("FFIEC") *Instructions for Preparation of Consolidated Reports of Condition and Income (FFIEC 031 and 041)*, <http://www.ffiec.gov/>, Interagency Statements of Policy on the ALLL, and other applicable regulatory guidance that addresses the adequacy of the

Bank's ALLL. Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the WVDFI, eliminate from its books, by collection, charge-off, or other proper entry, the remaining balance of any asset classified "Loss" and 50 percent of those assets classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities. If an asset is classified "Doubtful", the Bank may, in the alternative, charge-off the amount that is considered uncollectible in accordance with the Bank's written analysis of loan or lease impairment.

This review shall include an analysis of the Bank's sources and uses of funds (cash flow analysis). The results of this review shall be presented to the Board for review each month, with the review noted in the Board meeting minutes.

A copy of this analysis and plan shall be provided to the Supervisory Authorities. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities at the initial review and at subsequent examinations and/or visitations.

NO ADDITIONAL CREDIT

16. (a) Beginning with the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected.
